

Dear Mrs. Stolz and Family,

We heard the grave news that our dear friend and colleague Dick Stolz had passed away. Please accept our sincere condolences.

Dick was an amazing person who was so kind to address the Atlantic Club of Bulgaria at the dawn of the emerging Bulgarian democracy in early 90's.

The historical and professional context of his visit made it become phenomenal. He became part of the history and the future of the Atlantic Club which is part of the history and the future of Bulgaria.

Let him rest in peace and we hope to continue the relations with his family.

Sincerely yours,

Solomon Passy  
President & Founder  
Atlantic Club Bulgaria
